

# **THE LONGEST SHORTEST TIME WANTS YOUR WEIRD PARENTING WINS**

Y'know, all those strategies you use to manipulate your kids, that you'd never hear from an expert?

Like, when you have Siri read your phonebook aloud to keep your baby from crying in the car. Or get your kid to try beets because... it'll turn their pee pink.

## **WHAT'S THE LONGEST SHORTEST TIME?**

It's a podcast about parenthood... for everyone!

## **WHY SHOULD I TELL THEM MY WIN?**

Because you could wind up in their Weird Parenting Wins book!

## **IS THIS JUST FOR PARENTS OF BABIES?**

Nope. The book will cover soothing, feeding, and poop. But it'll also cover sibling rivalry, managing fears – both real and imagined – and self-care for parents. You can even submit a win that your own parents used on you!
